Pricing

Booths in the Vendor Hall are spaces that measure approximately 10'x10' and include one 8' table. If purchasing multiple booths, the booth space will measure approximately 10(n)'x10', where n=number of booths purchased. One table will be included with each additional booth purchased. Payment is due within one month of being accepted into the Vendor Hall.

Booth Prices: \$350/Regular Booth, \$400/Corner Booth

Additional tables or stanchions may be purchased for a fee. You must request these items on your application for them to be provided at the event. The fee will be \$25 per additional table and \$50 per stanchion. Please include how these items are to be set up in your application.

If you do not wish to have tables provided, please also note that on your application.

Two Vendor badges will be provided per business. These badges will allow access to all JAFAX functions as well as early and late access to the Vendor Hall for setup and tear down purposes. One additional badge will be provided per additional booth purchased. If you wish to purchase additional badges you may do so at the time of application for \$25 or at event for \$30.

Rules

Subletting or re-selling vendor space is not permitted, and vendor contracts are non-transferable. All retailers are responsible for applicable state and federal tax statutes.

Bootleg, pirated, unlicensed or knockoff products are strictly forbidden. If you are found to have bootlegs or knockoffs you will be asked to remove those items. Repeat offenders will be asked to leave, without refund. Selling pirated goods is grounds for being banned from the event.

JAFAX Staff and JAFAX volunteers are not available for loading/unloading or booth staffing work, either voluntarily or for hire.

The Merchandise Description on your application must be accurate. If you show up with completely different merchandise than what you claimed you would be selling you may be denied space without refund.

JAFAX strives to be a family-friendly event, therefore vendors selling adult materials such as hentai must restrict access to these materials and prevent casual browsing by minors.

Food sales must be approved prior to the event. Please include in your application a description of all food items you intend to sell. Any items that would create direct competition with DeVos Place catering (which sells sandwiches, hot dogs, fries, etc.) are likely to be rejected.

Metallic and wooden weapons can be sold. Sharpened weapons must be moved to a location outside of the convention area after being sold. All state laws for weapons apply during any sale

If you will be selling grab bags you are required to let the Vendor Hall Coordinator know before the convention. There will be a section on the application where you are required to describe the content of your grab bags. All bags must be clearly branded with your company name or logo (handwritten is acceptable). Grab bags may not make up more than 30% of merchandise being sold at your booth. We reserve the right to hold random checks of grab bags when we see fit. Any vendors found to be in violation of these rules will be asked to remove the grab bags and may no longer be allowed to sell them at JAFAX.

Vendors assume responsibility for policing their own booths during the event. JAFAX is not responsible for any loss that occurs.

Displays deemed hazardous must be taken down if requested by JAFAX staff.

If JAFAX is cancelled for any reason, our sole liability will be to refund the booth fee. Refunds will not be issued for any other reason.

Vendors agree to follow all Covid-19 policies and guidelines that the convention adopts. JAFAX takes our covid policies seriously. With the ever-changing pandemic environment, we will be waiting until closer to

the event to determine our specific policies. That said, our priority is and always will be the health and safety of everyone who attends our event, as well as our staff and volunteers. What we can say right now is that enforced mask mandates will be in place at the event and that we will be updating everyone on additional policies in the months to come.

Set-Up and Tear Down

The Vendor Hall will be open for setup beginning Friday, June 24th at 8 AM and ending at 1:30 PM. If possible, early setup may occur Thursday, June 23rd. Information on early setup will be provided as soon as JAFAX can confirm the availability with DeVos.

The DeVos Place exhibit hall loading dock is accessible from Michigan Street. There are several parking locations on the dock, but high traffic may result in a wait to use the dock. DeVos Place staff will coordinate a queue of vehicles if necessary. The dock will be closed after 3pm on Friday and all vehicles and merchandise must be cleared by that time or possible fines as per DeVos Place's operating rules may be applied to the offending person. In the past we have allowed vehicles to drive into the neighboring halls for load in/load out. This is never a guarantee and Vendors should be prepared to park under DeVos and make use of the freight elevator. Two hour parking passes will be provided during check in.

The vendor hall will open at 1:30 pm on Friday and 9:30 am on Saturday and Sunday for attendees.

Vendors **must** be ready at this time. Doors will be opened whether dealers are present or set up or not.

VIP badge holders will be permitted access to the vendor hall beginning at 1:30 pm on Friday and 9:30 am on Saturday and Sunday; all attendees may enter beginning at 2 pm Friday and 10 am Saturday and Sunday. On Friday and Saturday, the vendor hall will close to attendees at 7pm. All vendors will need to be out of the room by 8pm. The vendor's hall will be locked and secured.

Tear down will be Sunday (June 26) starting at 4 pm and ending at 11 pm. Please do not remove any merchandise from your booth until the hall is closed at 4 pm to allow all attendees to finish shopping. To

ensure smooth use of the loading docks, vendors must have all merchandise and equipment stored and ready to be moved prior to parking at a loading dock.

Vendors can use the loading docks on Michigan Street for loading/unloading. For permanent parking, DeVos Place has underground parking available, and our partner hotel the Amway Grand Plaza has a parking garage as well. If you are bringing a semi-truck and require a lift to enter DeVos Hall with your merchandise, be aware an additional fee may be charged for the length of time you may require using this service, and the Vendor Hall Coordinator must be made aware of your request by May 1st, 2022.
